Sir:

I, MICHAEL L. GINIGER, hereby declare that:

1. I am a co-inventor of the invention entitled "METHOD AND APPARATUS FOR PROVIDING POSITION-RELATED INFORMATION TO MOBILE RECIPIENTS," disclosed and claimed in the above-identified patent application.
2. Prior to February 28, 1996, Warren Scott Hilton and I had conceived and reduced to practice the invention presently claimed in the above-identified patent application.
3. Evidence of our conception and reduction to practice of the invention is provided herewith in the form of attached copies of disclosure and design documents including detailed figures and descriptions of the architecture, structure, and operation of embodiments of the claimed invention prepared prior to February 28, 1996.
4. I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and

further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
